

CLA Insurance Services competition winner – Sep 2006

CLA Insurance Services was once again proud sponsor of the Members' Enclosure at the CLA Game Fair 2006 (Romsey, Hampshire Friday 28th - Sunday 30th July) and was delighted by the unprecedented number of members visiting the stand.

This year we held a prize draw in connection with the CLA Travel Club, offering members the chance to win £1,000 of holiday vouchers. Our busy stand received over 450 entries, but unfortunately there could be only one winner!

Our lucky winner was Sir Philip Duncombe of Buckinghamshire, pictured below with Senior Client Manager, Adrian Lockyer.

Sir Duncombe commented, "I have never won anything like this in my life. I'm looking forward to booking an unexpected holiday with my wife. Since moving to CLA Insurance Services in 2002, I have found the service quite excellent and have since transferred my motor insurance to CLAIS."
